

### Grow Groups Essentials

The Word of God: Forming the foundation for our time together.

Acceptance: Receiving each member unconditionally without judgement.

Confidentiality: Trusting each other for a safe place to share

Growth: Becoming more like Christ.

Outcomes: Love, Safety, Challenge, Transformation

### Grow Group Covenant

While I am in this group, I will give the group meetings priority over life events that are non-emergency. I will commit to meet with this group weekly for the duration of the campaign series.

The Word of God: The Word of God forms this group's foundation. What we study and how we study must always be connected to the Word of God. Our times of fellowship are guided by the life principles taught in the Word of God. I will allow the Word of God to challenge me in the way I think as well as the way I live; trusting God to work in my life.

Acceptance: I will accept others in the group unconditionally just as Christ accepts me. I will respect where each person is at in their spiritual journey. I look forward to growing together in our faith as Christians.

Confidentiality: I will help build a safe group environment where others can share, trusting that what they say remains with the group. Gossip and slander are unacceptable.

Growth: I recognize that I am joining this Grow Group for my own spiritual growth. I desire for my life to be transformed to be more like Christ. I will allow my group to hold me accountable to commitments I make in whatever loving ways we decide upon. At the same time, I will not give unsolicited advice to others.

I desire to participate in and help create a Grow Group experience that is loving, safe, challenging and transformational for everyone.
