

# That they may have *life*.

## Gospel of John Bible Reading Plan

In John 10:10, Jesus says,

*“A thief comes only to steal and kill and destroy. I have come that they may have **life** and have it in abundance.”*

What does it mean to have **life**? That’s the question you get to explore as we walk together through the Gospel of John. In this reading plan you will hear from Jesus Himself talk on multiple occasions about the reality that life is found in *one* singular place—or better said, one person: in Him.

And that’s good news. That’s gospel (a word that literally means *good news*).

It’s important we start with this reality in front of us: that life is solely found and given through Jesus. It’s equally important to point out that this is not just one of the reasons Jesus came into this world, it’s *the* reason.

There are many wonderful things we can say about our God. We have so many reasons to celebrate and find joy in Him! The most wonderful of all of those reasons, however, is the focus of this reading plan.

For these twenty-five days, we get to explore the only good news this world this world has ever known: Jesus came into this world that you might have life both now and into eternity.

Thanks for joining us on this journey.

“In Him was *life*, and that *life* was the light of men.”

Today is a Focus Day.

*Each week will begin with a focus day. This will be an opportunity for you to focus in on a verse that you will get to explore later this week.*

*The goal of today is for you to rest and reflect—something this world does not often offer to us. Find comfort and peace in these words from this one, singular verse.*

*Seek ways to take it with you this week as you take it to heart.*
