

ImPACT Applications Inc. Baseline Testing Link Instructions

The easiest way to reach the baseline testing link is to go to www.impacttestonline.com/testing

This will redirect you to the Baseline Testing link www.impacttestonline.com/htmlauncher and the site should look like this:

Please enter your Customer Code:

Contact Support
Phone: (877) 646-7991
Email: support@impacttest.com
ImPACT Applications, Inc. © 2017

You will need a “Customer Code” to be able to start a test. The organization you are testing through should provide you with a Customer Code that will identify their organization. After clicking “Validate” you will be able to select which organization specifically this should go with (in certain cases you will not have to do this) This is how the site should now look:

Please enter your Customer Code:

Trinity’s Customer Code: RTWZM55PES	<input type="text"/>	<input type="button" value="Validate"/>
--	----------------------	---

ABC High School

Click “Launch Baseline Test” to start the test.
